PRESIDENT'S NOTE

In 2019, Capital City Pride brought Des Moines the largest LGBTQ+ celebration in our city's history with over 30,000 people in attendance. In contrast, the past year brought the world's largest pandemic seen in over 100 years. The severity of COVID changed our lives and presented challenges none of us could have imagined.

In light of the challenges and health concerns of our community, our traditional June Pride Festival celebration was cancelled and replaced by a compilation of the virtual version of our most cherished events. Although different in execution, 2020 virtual Pride opened the opportunity to connect our LGBTQ+ community, allies and supporters at the moment we needed each other the most. Even in the worst of times, we see you, we hear you, we love you!

This year, with the lingering effects of the Pandemic we will be hosting a new community celebration - 30 Days of Pride. Respecting the need for continued awareness of community health, 30 Days of Pride provides a mix of socially distanced in-person and virtual online events that will feature one event per day for all 30 days of June. All events will be held at local businesses and venues throughout the city and will again include many of the events the community has grown to love such as the Pet Parade, Pride Fun Run, and Silent Disco! There will also be brand new events like the Rainbow Safari at Blank Park Zoo, Ride in Outdoor Movie Night at the Science Center, and the downtown Rainbow Scavenger Hunt!

On behalf of the Capital City Pride Board, I'd like to extend a big thank you to the city of Des Moines, all of our sponsors, volunteers, vendors, entertainers, and of course, all of you who come out to celebrate and support Capital City Pride, whether in person or virtually. As we celebrate our 43rd year of Pride Fest, it's important to remember and celebrate those who work every day to make positive impacts on our LGBTQ+ community. Again, thank you for participating in this year's Pride Fest activities and we look forward to seeing you!

What PRIDE

Means to me

Pride in yourself and others = freedom to live your life and be proud. No more shame!!

-@nanaof5girls

Celebrating love and acceptance of the LGBTQIA community and my son ❤️ - @kelliepip67

For me PRIDE means self expression and authenticity 🌈✨

- @clutch_cornelius

We asked the community through our social media channels to tell us what pride meant for them.

Compiled by
Hilary Mullen & Paul Salais Jr.

Supporting all of my friends and family in this wonderful, accepting community of amazing people. Seeing how much is accomplished when people come together. It's also something for me, like a big banner of "keep going" when Iowa and other states have bills in legislative sessions that are not accepting. I love this amazing community and the people I have met because being an ally isn't just a word for me. ❤️

🧡💙❤️🖤❤️ - Amber Dawn

At **F&G**, we understand
the value of being able to

SHOW UP AS YOUR TRUE SELF.

We are proud to support **Capital City Pride** and the **LGBTQ+ community** to help strengthen and promote a culture of **inclusivity**.

"F&G" is the marketing name for Fidelity & Guaranty Life Insurance Company issuing insurance in the United States outside of New York, and, in New York only, Fidelity & Guaranty Life Insurance Company of New York. What PRIDE

Means to me

Pride for me means acknowledging our accomplishments in the lgbt+ community, recognizing our leaders form part to present, and looking to our future as a group to be able to have a better world for all members of our families. So many people have paved the way and continue to, we have to continue to honor their struggle and history.

NEW LOGO

Our newly redesigned logo reflects our commitment to inclusivity and to represent the diversity of the LGBTQ+ community.

We are proud to have the most diverse Board in 43 years. As we continue to grow and evolve as an organization, we are thrilled to unveil the new Capital City Pride logo. We are fortunate to serve our community through inspiring, educating, commemorating, and celebrating our diverse community and culture in the greater Des Moines Metro. To reflect our mission, we've incorporated a spectrum of colors that are bolder and brighter in two Cs with those we serve at the forefront of everything we do—community, culture, Capital City Pride.

Whether you attend one, two, or all of our events, we can't wait for you to see the flood of color we're bringing to the 30 Days of Pride celebration!

515 Pride's mission is to provide the DSM BIPOC LGBTQ community from diverse cultures and backgrounds a space to come together by facilitating dialogue, social events, and engaging in activities that promote community development through education, shared leadership, and expression.

It is imperative that the BIPOC LGBTQ community is able to have their needs by encouraging them to live authentically in all of their identities without prioritizing one identity over another and invite a sense of fun into the exploration of their BIPOC pride.

This year 515 Pride spearheaded the event '515 Manifestival', a Black and Brown Queer artshow showcasing put on in collaboration with Iowa Juneteenth and the Iowa Queer Communities of Color Coalition, to be held on Juneteenth (June 19th). It is the hope that 515 Pride is able to anchor the DSM BIPOC LGBTQ, by continuing offering opportunities for networking, social events, and community collaborations.

515 Pride is a new subcommittee, co-lead by Allegra Hernandez and Tyler Moore, of Capital City Pride's Community, Diversity, and Education committee.
